

Lego Addition Time Test Pack

Thank you for downloading the
Lego Themed Addition Timed Test
Printable Pack from
www.wellnurturedplantsandpillars.com.

This pack is intended for personal use. Feel free to
print as many copies as you need or
link pack to the blog post containing this pack
from your site or blog.

Please respect the time and effort that went
into creating this pack and give credit where credit
is due.

Clip Art is from Ninja Mom Designs on Teachers Pay Teachers.

created by Katie @ Plants and Pillars

Suggested Use:

Fold or Cut so that student has one of the tests (15 problems)

Set a timer (30 seconds, etc)

Have the student stop when time is up and check answers.
